REVIEW WRITING

Prepare for the exam: Writing essays (150-180 words)

• **Writing topic 1:**

Today, many people prefer going on holiday by motorbikes to going by cars or planes. What are the advantages and disadvantages of this trend? Use specific details and examples in your answer.

An outline of the essay

• **INTRODUCTION**

- **Hook**
- **Background information**
- **Thesis statement**

Holidays are crucial in our current life. Nowadays, many people prefer going on holiday by motorbikes to going by cars or planes. This essay will discuss the advantages and disadvantages of this trend.

• **BODY PARAGRAPHS**

- The advantages: First of all Second Finally
- The disadvantages: Firstly Secondly Last but not least

Brainstorm

• **CONCLUSION**

- In conclusion
/ In summary

In conclusion, travelling by motorbikes is both advantageous and disadvantageous. This trend is only suitable for young and healthy people, therefore, people should consider carefully before choosing to travel by motorbikes.

Brainstorm

Advantages

- There are some advantages of going on holiday by motorbikes. Firstly, travelling by motorbikes is very convenient because of their own schedule. They can start or stop whenever and wherever they like to take photos or go sightseeing. Secondly, traveling by motorbikes has more effective costs than traveling by planes or cars. They almost do not need to spend any other expenses exception of gas and motorbikes maintenance.

Disadvantages

- However, travelling by motorbikes also has some disadvantages. Firstly, there is the risk of accidents because people get tired during their riding hours. Therefore, it is necessary for them to make many stops to rest which takes much time. Secondly, there is also the risk of vehicle damage due to traveling a long distance.

Prepare for the exam: Writing topic 2

Machines are helping people in many aspects of life. Do you agree that machines will replace human workforce in factories in the future? Use specific details and examples in your answer.

An outline

- INTRODUCTION
 - Hook
 - Background information
 - Thesis statement
- BODY PARAGRAPHS
 - First of all/ Firstly....
 - Second/ Secondly,
 - Finally/ Last but not least
- CONCLUSION
 - In conclusion/ In summary

List some ideas

PREPARE FOR THE EXAM:

Writing topic (150 – 180 words)

• Topic 4:

The Internet has brought many benefits to human life, but it also created many problems. In your opinion, what are the most serious problems associated with Internet and your solution?

An outline of the essay

• INTRODUCTION

- Hook
- Background information
- Thesis statement

Nowadays, the Internet is very important in our life. The Internet has brought many benefits to human life, but it also created many problems. This essay will discuss some serious problems associated with the internet and solutions.

• BODY PARAGRAPHS

- First of all / Firstly
- Second / Secondly
- Finally / Last but not least

Brainstorm

• CONCLUSION

- In conclusion / In summary

In conclusion, there are many serious problems associated with the internet. If people know how to use it correctly, there will be many benefits for them.

Brainstorm

Problems

- People's identity can be stolen in the internet by hackers such as banking details to get money, ID card details to do illegal activities.
- People can be addicted to the internet because of spending much time on online games or social media network.
- A lot of wrong information may affect people's work or student's study.
- Children may access to bad websites with inappropriate for their age such as pornographic photos, violence and crime.

Solutions

- Internet users should be alert to unreliable websites which are related to banking or online payments; or they should use anti-virus software.
- They should do other outdoor activities with their families or friends.
- They should check carefully and use reliable sources.
- Parents can put a parenting software or blacklist software on the computer to prevent their children to access to unsuitable sources on the internet.
